THE IDEAL PERSON IN MY LIFE

Name :- Kavita S. Sutar.

Class :- B.com VIth Sem.

An ideal person is one who is ideal in respect of physical and emotional balance, behaviour and attitude, moral values, personality. In practical life, the combination of all these fine characteristics are very rarely found in any person in practical life.

If I have to choose a very important person who influenced me, I would definitely say my grandfather. The person who has been my ideal is my Grandfather. His name is Shri. Ramachandra G. Sutar. My grandfather was born in 4th July 1928 in Sankeshwar. When he was 12 years old he had to start work because of critical situation. So his work was as a carpenter. In that time, it was more common that children work, but in this case it was an obligation, he had to help his mother to maintain his little brother. For that reason he could not finish his studies at primary school. But equally he was a very educated person. He enjoyed reading books and the newspaper every day. He knew a lot about history and politics.

He is well known for his honesty and loyalty. He always teaches us to be kind, discipline and to work hard.

My grandfather loves me a lot. He calls me 'Hava' and I like it very much. I share everything to him. We talk about my school, my friends etc. If I am in critical situation or have any problem, he always helps me out and makes me happy.

Once upon a time when I was in 7th standard I am unable to write the final exams because of illness. In those days my grandfather taught me ONE WHO WINS WITHOUT PROBLEM IT IS JUST VICTORY. BUT, ONE WHO WINS WITH LOT OF TROUBLES; THAT IS HISTORY. He always encourages us. He taught me to do one experiment whatever I can say that will help you in your exam. He taught me when your exams get started and if you forgotten the answer at that time, you close your eyes and say "BABA" then definitely you will be able to write the answer. Fortunately, this is happen in my real life.

THE IDEAL PERSON IN MY LIFE

Name :- Kavita S. Sutari

Class :- B.com VIth Sem.

An ideal person is one who is ideal in respect of physical and emotional balance, behaviour and attitude, moral values, personality. In practical life, the combination of all these fine characteristics are very rarely found in any person in practical life.

If I have to choose a very important person who influenced me, I would definitely say my grandfather. The person who has been my ideal is my Grandfather. His name is Shri. Ramachandra G. Sutar. My grandfather was born in 4th July 1928 in Sankeshwar. When he was 12 years old he had to start work because of critical situation. So his work was as a carpenter. In that time, it was more common that children work, but in this case it was an obligation, he had to help his mother to maintain his little brother. For that reason he could not finish his studies at primary school. But equally he was a very educated person. He enjoyed reading books and the newspaper every day. He knew a lot about history and politics.

He is well known for his honesty and loyalty. He always teaches us to be kind, discipline and to work hard.

My grandfather loves me a lot. He calls me 'Hava' and I like it very much. I share everything to him. We talk about my school, my friends etc. If I am in critical situation or have any problem, he always helps me out and makes me happy.

Once upon a time when I was in 7th standard I am unable to write the final exams because of illness. In those days my grandfather taught me ONE WHO WINS WITHOUT PROBLEM IT IS JUST; VICTORY. BUT, ONE WHO WINS WITH LOT OF TROUBLES; THAT IS HISTORY. He always encourages us. He taught me to do one experiment whatever I can say that will help you in your exam. He taught me when your exams get started and if you forgotten the answer at that time, you close your eyes and say "BABA" then definitely you will be able to write the answer. Fortunately, this is happen in my real life.

He had a friendly face and he was very talkative person. He is well wisher for many people. He is a good speaker. He always taught me if you want to become a good speaker then first you must be a good listener. He is a straight forward person. He has faced many problems in his life. He was an honest, tolerant and fair person, who never talks bad of other people and never lies to anyone.

My grandfather was my inspiration. He changed my view of life. I want to follow his footsteps and do whatever I can to make the lives of others better. He always keep a smile on my face and I wanted to do the same for someone else.

My grandfather taught me that simple gestures like a smile can go a long way. He taught me that I don't need to be a superhero in order to save lives. He explained to me that slowing things down and noticing the little things in life is meaningful and influential. He showed me through example, the satisfaction of helping others. He taught me to follow and fulfill my dreams.

TOPIC: _____ DATE: _____

I admire him because he has very strong principles and he taught me that in life you must hard work in advance and always be honest.

He is my ideal person and best friend also. I always thank God for giving me such a caring and loving grandfather. His journey ends at the age of 86 years.

Everything he taught me, have applied to my life. My grandfather motivated me to change the world and to be the best person I can be.

ನನ್ನ ಶಿವನನ ಆವರ್ತ ವ್ಯಕ್ತಿ ನನ್ನ ಅವ್ಯ, ನಾನು
 ಈ ಭೂಮಿಗೆ ಬರಲು ಕಾರಣವಾದ ನನ್ನ ಅವ್ಯ. ಅದು ಯಾವುದು ರಕ್ಷಣೆ
 ಗಳನ್ನು ಸಹಿಸಿಕೊಂಡು, ನೋಡುಗಟ್ಟನ್ನು ಸಹಿಸಿಕೊಂಡು ನನಗೆ
 ಕನ್ನ ನೀಡಿದ ನನ್ನ ಅವ್ಯ. ಎಲ್ಲರಿಗೂ ಅವ್ಯ ಎಂದರೆ ಉಂಟಾ ತಿಳಿತಿ
 ಹಾಗೆಯೇ ನನಗೂ ಕೂಡ ನನ್ನ ಅವ್ಯವೆಂದರೆ ಉಂಟಾ ತಿಳಿತಿ, ಗೌರವ,
 ನನಗೆ ಈ ಭೂಮಿಗೆ ಬರಲು ಉಳಿದ ಕೊಟ್ಟವತ್ತು ನನ್ನ ಅವ್ಯ,
 ಮಕ್ಕಳು ಯಜ್ಞಿಗಾಗಿ ಎಲ್ಲರಿಗಿಂತಲೂ ಮೊದಲು ಮಿತಿ ತಡವವತ್ತು ಅವ್ಯ,
 ಯಜ್ಞಿದ ಮನುಷ್ಯನು ನೋಡಿದರೆ ತಾಯಿ ಕನ್ನ ಎಲ್ಲ ರಷ್ಟ, ನೋಡುಗಟ್ಟ
 ನನ್ನ ಮರಿತುಬಿಡಲ್ಪಟ್ಟು ಮನೆಯೇ ಮೊದಲ ಪಾಠಕಾಲ, ತಾಯಿಯೇ
 ಮೊದಲು ಗೆರು ಎಂಬುವ ಯಾತು ಅಕ್ಷರಶಃಗೆ ನನ್ನ ನನಗೆ ಮೊದಲ
 ಗುರು ನನ್ನ ಅವ್ಯ. ನನ್ನ ಅವ್ಯ ನನ್ನ ಕೈಯಿಂದ ಬರೆಸಿದ ಮೊದಲ
 ಅಕ್ಷರ 'ಅ'. ನಾನು ಅವರ ಮಾತು ಕೇಳಿದಿದ್ದಾಗ ಮಮಲೆ ಹೋಲಿ
 ವಿದ್ದು ಕೊಟ್ಟವತ್ತು ನನ್ನ ಅವ್ಯ. ದಿನಾಚಿತ್ ಮನೆಯಲ್ಲಿ ಒಂದೇ ರಷ್ಟವಿದ್ದ
 ರೂ ಆದರಲ್ಲಿ ಮರೆಯ ಕಟ್ಟ ಅಥವಾ ನನ್ನ ಮುಂದೆ ಹೋಲಿ ಕೊಟ್ಟ
 ತಿರಲು, ರುಚಿಯಾದ ಆದರೆ ಮಾಡಿ, ತಿಳಿತಿ ಆಹಾರವನ್ನು ನೋಡಿ
 ಬೆಚ್ಚಿಬಿಡುತ್ತ ನನ್ನ ಪಾಲನೆ ಎನನ್ನು ತಾಯಿ ಬಿಟ್ಟು ಬಿಟ್ಟೆಯ ಗುರು,
 ಮುತ್ತ ನೋಡಿದರೆ ಆದರಲ್ಲಿ ಮಿಗಿಲಾಗಿ ಆ ಹೇವರು ನನಗೆ | ನನಗೆ ಕೊಟ್ಟ
 ಅತ್ಯಂತವು ನನಗೆ ತಾಯಿ.

ನಾನು ಯಾವ ನಿರ್ಧಾರವನ್ನು ತೆಗೆದುಕೊಂಡರು, ಅಥವಾ ನಾನು
 ಆಸಕ್ತಿ ಇಟ್ಟು ಮಾಡಬೇಕೆಂದಿರುವ ಕೆಲಸಕ್ಕೆ ಯಾವಾಗಲೂ ನನ್ನ
 ಬೆನ್ನಬಳಗಿ, ಗುರುವಾಗಿ, ಹೊಡೆ ಕತ್ತಿಯಾಗಿ ಹೊಟ್ಟಾಡಿಸಿದರು. ಅವರಿಗೆ
 ನನ್ನ ಮೇಲೆ ಇಷ್ಟ ಓ ಸಂಬಂಧ, ನನ್ನ ಯಾವ ಕೆಲಸಕ್ಕೂ, ಬೆನ್ನವಟಿ
 ಕೆಗನ ಹೊಟ್ಟಾಡಿಸಿತ್ತಿತ್ತು, ನನಗೆ ಏನು ಬೇಕೆಂದರೆ ಅಥವಾ ನಾನು
 ಕೆಟ್ಟವು ಮಾಡಲೇ ನನಗೆ ಬೇಕಾದ ವಸ್ತುವನ್ನು ತಂದುಕೊಡುತ್ತಿದ್ದರು.
 ನನ್ನ ಅವ್ಯ. ನಾನು ಬೆಚ್ಚಿಬಿಡು ಬದ ಕುಟುಂಬವು ಆದರೂ ಓ
 ಬಡತನವನ್ನು ವಿಡುಲಿಸಿ, ಆದರೆ ಬನ್ನಿ ತೆಲೆಕೆಡಿಸಿಕೊಟ್ಟದೆ ನನ್ನ
 ವಿಧ್ಯಾಭ್ಯಾಸದ ರಹೆ ಮಾತ್ರ ನನ್ನ ಗಮನ ಇರಬೇಕು ಎಂದು ಧೈರ್ಯ
 ತುಂಬಿದಳು ನನ್ನ ಅವ್ಯ. ಎಂತಹ ವರಿಷ್ಟಿತಿ ಬಂದರೂ ಆದರೆ ಅಂದರೆ
 ಬಡತನವನ್ನು ಲೆಕ್ಕ ಹಾಕದೆ ಸಮಾಜದಲ್ಲಿ ನಾನು ಹೇರಿರಬೇಕು, ಯಾವ
 ಮೊಟ್ಟಗಟ್ಟನ್ನು ಪಾಲಿಸಬೇಕು, ನನ್ನ ಸಾತ್ಯಲಿ ಯಾವ ರೀತಿಯದು ಎಂದು
 ಬಿಟ್ಟು ಗುರುವಾಗಿ ಹೇಳಿದಳು.

ನನ್ನ ತಾಯಿ ಅಥವಾ ತಂದೆ ಬಡವರಿರಬಹುದು ಕಿಂತ ಗುಣದಲ್ಲಿ
 ಅವರನ್ನು ಕಿತ್ತಮಂಚ ಘಟ್ಟಿಗಟ್ಟ ಯಾರು ಇಲ್ಲ, ಬಿಂದು ಸುಲ ತಾಯಿ-ತಂದೆ
 ನೋಡುಗಟ್ಟ ಪಾಲಿಸಲು ನನಗೆ

ನಾನು ಕಷ್ಟದಲ್ಲಿದ್ದಾಗ, ಮೋದಾದಾಗ ಎಲ್ಲರಿಗಿಂತ ಮೊದಲು ಬಂದು
 ನೆರವು ಮಾಡುವುದಕ್ಕೆ ನನ್ನ ಆತ್ಮ, ಮಿಲಿಟೇರಿಯೇ ಕಷ್ಟ ಬಂದಾಗ, ಸಂಕಷ್ಟದ
 ಪರಿಷ್ಕರಣೆ ಇದ್ದಾಗ ಬೆಂಬಲವಾಗಿ ನಿಂತು ಹೆದರಬೇಡ, ಯಾರ ಮುಖವೂ
 ಕೈಬಾಚಿ ಬೇಡ ಎಂದು ಹೇಳುವುದು. ನನ್ನ ಆತ್ಮ ಬಹಳ ಸ್ವಾಭಿಮಾನಿ ಮುಗ್ಧವನನ್ನು
 ಯಾವುದೇ ಕಷ್ಟಗಳನ್ನು ಎದುರಿಸುವಂತೆ ಧೈರ್ಯಶಾಲಿ ನನ್ನ ಆತ್ಮ ಬಂದಾಗ
 ನನು ಮನೆಯಲ್ಲಿ ಉಬ್ಬಿ ಮಾಡಲು ಬಂದು ಎಲ್ಲರಿಗೂ, ಶಾಲೆಗೆ ಹೋಗಿ ಕಷ್ಟ
 ಹೋಗಿ ಎಲ್ಲರಿಗೂ ತಾನು ದುಡಿದು ಮನೆಯನ್ನು ಮುಂದುವರಿಸಿಕೊಂಡು ಹೋದ್ದು.
 ಎಲ್ಲರ ಸಹನೆ ಹತ್ತಿರ ಹೋಗಿ, ಸಂಕಷ್ಟ, ಇದ್ದಾಗ ಬರುವ ಸಂಬಂಧಿಕರ, ಸ್ನೇಹಿತರು
 ಬಹಳ. ಆದರೆ ನಾನು ಎಲ್ಲರಿಗೂ ಕಷ್ಟ ಬಂದಾಗ ಯಾರು ನನ್ನ ಹತ್ತಿರ ಬರುವವರಿ
 - ಲ್ಲ. ಅವರೇ ನನ್ನ ಆತ್ಮ ಹೇಳಿದ ಮಾತು ನೀನು ವಿದ್ಯಾವಂತನಾಗಿ, ಸಾಮಾಜಿಕ
 ವಿತ್ತವಾಗಿ, ಬಿಟ್ಟು ಹೋದನು ಸಾಧಕಿಯಾಗಬೇಕು. ಯಾರ ಬಗ್ಗೆಯೂ ಕೆಲಸವಿಲ್ಲ
 - ಕೊಳ್ಳಬೇಡ. ಇವತ್ತು ಬರುವವರು ನಾಚಿ ಹೆದರುತ್ತಾರೆ. ನಾಚಿ ಬರುವವರು
 ಮುಚ್ಚಿಬಿಡುತ್ತಾರೆ. ಇಂತಹ ವಿಚಿತ್ರ ಜಗತ್ತಿನಲ್ಲಿ ಬದುಕಿ ಹೋಗಿ ಸಾಧನವಾದುದೇಕೆ
 ಎಂದು ಹೇಳುವುದು.

ನನ್ನ ತಾಯಿ ಮತ್ತು ಕಷ್ಟಕ್ಕೆ ಮೋದನೆ, ಕೆಲವರು ಈಗ ಚೆನ್ನಾಗಿ
 ಇರಲಿಂತ ಕಿಚಿತ್ತಿರುವೆ ಆನಂದಕ್ಕೆ. ಎಲ್ಲರಿಗೂ ಯಾರೂ ಸಾಧಕರು ಆದರೆ
 ಜೀವನಕ್ಕೆ ತಾರಿ-ವಿಷವಾಗಬಹುದು. ಆದರೆ ನನ್ನ ತಾಯಿಗೆ ಬಿಟ್ಟು ಮಾತನಾಡ
 ಸಾಧಕಿ, ಆದರ್ಶವ್ಯಕ್ತಿ ಯಾವಾಗಲೂ ನನ್ನ ಆತ್ಮ. ಅವಳು ನಡೆದುಬಂದ
 ಹಿಡಿಯನ್ನು, ಕಷ್ಟವನ್ನು ಮೋದಿಸಿ ನನಗೆ ಬಿಟ್ಟು ಕೊಟ್ಟ ಸಾಧಕಿ ನನ್ನ ಆತ್ಮ
 ಸೋಲಿಸಿ ಕೊಡುವ, ಗೆದ್ದಾಗ ಹೆಣ್ಣು ಎರಡನ್ನು ಸೇವಿಸಬಹುದಾದ ಕಾಲವು ನನ್ನ
 ಆತ್ಮನನ್ನು ಬಹಳ ಹತ್ತಿರದಿಂದ ಮೋದಿಸಿ ನನಗೆ ಇರುವ ಬಂದೇ ಬಂದು
 ಆತು. ನಾನು ಬಿಟ್ಟು ವಿದ್ಯಾವಂತನಾಗಿ, ಬಿಟ್ಟು ಕೊಡುವವನ್ನು ಮಾಡಿ ನನ್ನ
 ಆತ್ಮ, ಆತ್ಮ, ಈಗ ಚೆನ್ನಾಗಿ ಮೋದಿಸಿಕೊಳ್ಳುವುದೇ ನನ್ನ ಗುರಿ. ಅದೇ ನನ್ನ ಜೀವನದ
 ಉದ್ದೇಶ. ಇಂತಹ ನನ್ನ ಆತ್ಮನ ಉಪಕಾರ, ನಾನು ಕಷ್ಟ-ಕಷ್ಟ ಎತ್ತಿ
 ಬಂದರೂ ತಿಳಿಸಲಾಗದು. ನಾನು ಲೋಕವು ನುಡಿದಾಗ ಅಕ್ಷರವುಳ್ಳ ಉಣಿಸಿದ
 ನನ್ನ ಗುರು, ನನ್ನ ತಾಯಿ. ಗಾಡೆಹೋಗಿ ಬಂದು ಮಾತು ಹೇಳಿದೆ ತಾಯಿಗಿಂತ
 ಬಂಧನವಿಲ್ಲ. ಜ್ಞಾನಿಗಿಂತ ರುಚಿಯಿಲ್ಲ. ಜಗತ್ತಿನಲ್ಲಿ ಯಾರು ನನ್ನ ಜೊತೆ ಇಲ್ಲದಿದ್ದಾಗ,
 ಬಿಟ್ಟು ಕೊಡುತ್ತಾ ಇರುವೆ ಬಹಳ ವ್ಯಕ್ತಿ ನನ್ನ ಆತ್ಮ, ಅವಳು ನುಡಿಯಿತು. ಕೊಡಬಹುದಾದ
 ನಾನು ತಪ್ಪುಮಾಡಿದಾಗ ಬಿಡುವು, ಬಂದರೆಂದು ಬುದ್ಧಿಮಾತು ಹೇಳುತ್ತಾಳು. ಆದರೆದರೆ
 ಇಷ್ಟು ಮುಂದೆ ಯಾವ ತಪ್ಪು ಮಾಡುವಂತಹನಿರಲಿಗಿಲ್ಲವೆಂದು. ಕಷ್ಟ ಕೊಟ್ಟವರು
 ಆತ್ಮ, ಮಾತು ಕೊಟ್ಟವರು ಆತ್ಮ, ಅಕ್ಷರ ಕೊಡಿದ ಮೊದಲ ಗುರು, ಆತ್ಮ
 ಧೈರ್ಯಶಾಲಿ ಆತ್ಮ, ಕೊಡೆಗೆ ನನಗೆ ಕಷ್ಟ ಕೊಟ್ಟ ಭಿಕ್ಷೆ ನೀಡಿದ ಈ ನನ್ನ
 ಆತ್ಮನಿಗೆ ನನ್ನದೊಂದು ಸಲಾಂ. ಕೊಡೆಗೆ ಹೇಳುವ ಮಾತು ದೇವರಿಗಿಂತ

MY VILLAGE IN 2050

Our town name is Sankeshwar. Sankeshwar is include all old technology. So now it improve very much. Sankeshwar comes in belgum distec & Hukkeri taluka. it is also big city. in 2050 our Sankeshwar is based on technology. now also it include technology. in 2050 then there was more technology. By technology means all activities are based on machines only. My Sankeshwar now also it improved very much. then that time education level also increases very much. in 2050 population also increases very much. now a days also childrens all are using technology base like mobiles, they know every thing. So in 2050 also all based on technology. in 2050 our Sankeshwar is clean city. means there was no cleantess there was very clean. So that time all roads are improved very much. then our Municipalty of Sankeshwar take action to took clean around there environment. so this is also when they take care of environment then there was no problems. So in 2050 Sankeshwar all over like big big buildings. means in all over big big buildings there was no place to trees. means

Sankeshwar like a big city. that time all roads are improved. then there was very clean. all people do online shopping only mean they dont take risk to do shopping. they get all items easily through online. So in 2050 there was many changes. So technology is also changes every day. world is dynamic. So then people's needs also changes time to time.

they improve their technology. In hospitals also look higher rate machines that time all hospital also improved very much. So in Sankeshwar that time they made Railway Station to the passengers, and airport. this all leads to a big changes. when they made Railway Station, airport then they easily movable from one place to another place within time. then there was no wastage of time.

All peoples of Sankeshwar busy in their own work only. they dont give more time to their family members. means they so much busy in their own work. they dont think about their family members. So they so much busy. In 2050 there was scarcity of water. Scarcity of shelter, food. because when there was no tree so there was no water rain. Water is most important in life. and when population is more so there scarcity of food. all peoples suffered from many problems like heart attack, Cancer, diabetes because that time so many vehicles are surrounding there only. means there was so many number of car

Then there are so many factories also created like wine factory, sugar factory, this leads to water pollution, all chemicals are mixed in water & all people drink that water & suffered from problems.

When all people do like banking sector, engineer, doctors, teachers, jobs then we lost farmer. then there was no farmer because all people do these works in higher level only. So farmer also very much important because farmer gives us lives. means when they grow food grains then only we lives very long. Since 1993 till today more than 9,70,000 farmer caught in a debt they trap in committed suicide. So this all is lost our society very much. 72% provides farmer provide food. So farmer are the god for us. So don't lost them. that farmer gives lives to us. So all people don't join in high post. So some people do farmer work also. when all farmer committed a suicide then we don't get a food. this leads to very huge problems.

So Our Sankeshwar include some temples. So in 2050 there was no temples because that time they don't believe god because world is dynamic it changes time to time. So they also see all over big big apartments. only all peoples busy in their work only.

In 2050 there was no ^{extra work for children} textbooks, books because in their hands iphones only. they all are studied in mobiles, iphones only. means technology

In 2050 all schools and colleges are improved very much & educational level also increases very much so all explanation of teacher & Sirs is very less all through machines only. that time they grow practically but not therotically means all students.

There was problem of Scarcity of petrolium, Diesel because now a days all people use vehicles & they get missure of this petrolium & diesel. next in future there was Scarcity of this all. that time all are educated but they behave like a uneducated because they dont do all works mean all works are done by machines only.

So these all problems are faced in 2050 because that time all peoples are very larg. So the technology also improved very much. that time dir pollution, water pollue is more. & there was scarcity of petrolium, diesel all. that time they dont believe on culture they believe on what are new things in the market & that only buying. there was population also more.

So this is a short article about Santoshwar means Santoshwar in 2050. this is in my opinion like all above points are cleared that this was in 2050. like this only.

Thank you

My Unforgallable Dream

My Unforgettable Dream That I Still Remember...

I'm supposed to write about an unforgettable dream in my life, so one day that I will never forget, was the day I woke up with tears on my face I was very tired & get to bed early. That day, I had just gotten back from school & was lying on the sofa watching TV, my little sister was in bathroom having shower, my mum was in the kitchen preparing dinner, my dad was still at work.

Suddenly, our house started shaking violently as if it were a small wooden boat being tossed by giant waves in the ocean. At first, none of us realize what was happening. Then my mum yelled, Earthquake! Get under something! I was too stunned to move but the shaking was so strong that I soon fell off the sofa onto the floor. I half rolled half crawled across the floor to the dining table & got under it. My mum was sitting on the floor in the kitchen, holding her arms over her head to protect it from falling dishes, she yelled at my little sister she wanted to be with us. The earthquake lasted less than a minute, but it seemed like a year for me. At last the shaking stopped, for a minute or two we were too scared to move. I was crying my mum cautiously got up & went to help my little sister, who was crying too. There was no electricity. Next, we checked the house for damage. It was horrible, we started worrying about my dad, my mum tried to call him at work, but the phone

him. Then I started to cry very hard & yelled for my dad. & woke up, when I realize that it's just a dream I was so happy.

Whenever you go to sleep you dream something, but some of them could be unforgettable. Some of them you even don't remember. You can dream everything but you need to know that is just a dream & as it says "Dreams never come true."

My Unforgettable

I DREAM STILL Remember

When I woke up, I was smiling to myself. This was the dream I wanted, this was something I needed to become a reality, I need this to happen. So I will strive ^(remind) and continue to do my best right now so I get my dream into my reality.

I was sleeping in the room, near the window. It was mid night I'm not remember the time. I suddenly woke up and see my parents they are sleeping besides me they are in profound sleep. I saw them I think about my dream with closer eyes, because they ask question why you are not sleeping. So dramatically I sleep.

Before I woke up I make some sound I don't do I mander makes me wake up. In that dream. A crow was building a house on a tree. The crow was searching a little sticks and dry grass to build a house. When that bird is collecting the things and one by one the sticks and grass pieces and put on the trees branch they are fell down one by one. In that time I talk with crow say the crow and I ask them to your house was fell down on earth in that time the crow say I will build my house to stay because that day was rainy day in my dream because of that the crow want's to save themselves from rain. And from their hard and dedicated work that crow was built a beautiful house. In that movement I suddenly murmured a sound and course in. Dad and mother are

At that whole night I think about the small dream but it is effective one in my life in a good way. You think this is not a good dream but it says if you want to ~~be~~ live life in this competitive world we have to make some struggle so. I implied this dream as my life quote. It's my goal and ambition to build my life like a crow's nest, without hard work and dedication we can't success in our life. This dream give a way of success.

Dreams happen when we put ourselves down to sleep. Sometimes these dreams turn into nightmares that they wake us up in the middle of the night. Some times the dreams are so good that we sleep the entire night. When we wake up from these dreams, we forget about them. However, there are those dreams that stay forever, cut into the bases of our memories as we try to dream of those dreams again. This is my unforgettable dream.

MAN OF STEEL

Name: Samson S. Solomon

Class: B. Com III

Rollno: 64

My Favorite Movie.

Movies are created with particular forms like comedy, action, adventures, history etc. but nowadays movies are considered with most of the forms. A big thanks to Nicéphore's invention the camera which used to photograph a static picture after an artist's art or portrait. These days camera used for taking pictures as well as video recording.

Today, science has developed its technologies in coupling a movie, computer graphics (CG) is much in use. Imagination and illusions can be created easily by help of CG. Modern movies have the use of green screens and computer graphics. All the forms of movies has considered the CGs such as Anaconda, Godzilla, Power Rangers, Spider-man series etc.

My favorite movie is "MAN OF STEEL". A man from the DC universe who is a fictional superhero, non-other than Superman. This man with distinct and imaginable personality thinks of saving the world. When I was 5 year kid, I had a craze of watching Justice League. Superman was my favorite character having various features like superhuman strength, speed, durability, superhuman vision, superhuman breath and flight.

Superman was born on a planet named Krypton. His father was a scientist Jor-El, his mother Lara and Superman's Kryptonian name was Kal-El. Krypton was a planet which had a very harsh environment than earth. Long ago, in the era of Kryptonian expansion, their race spread throughout the stars seeking new worlds to settle upon. Thereafter, they used different machines to create their own environment on different planets for their existence. But artificial population control established which led to the exhausting of resource. As a result, the core became unstable that destroyed the planets.

Kal-El was only the naturally born Kryptonian kid whom Zod (General of the military - Krypton) wished to kill for the extraction of the Cortex which will be used to revive the dead Kryptonian lives. The Cortex was induced in the blood of Kal-El by Jor-El when he was a baby before sending

him on earth.

General Zod seemed to extract coster, but Kal-El was sent on earth that he may live like a human. Jor-El tried to teach him to be human first, a bridge between two (Kryptonian and earthly humans). Jor-El used a spaceship to send his son to the earth that landed on the American city of Metropolis.

Kal-El grew up on the earth in a family surnamed Kent. Jonathan and Martha Kent had no children, so they discovered this child and adopted with a name Clark Kent. Clark displays his ability in case of emergency in his childhood. As he turns to adult, he is trained to use his superpowers for the benefit of humans and be a vigilante to fight against crimes. Superman shows his love interest on Miss. Lois Lane a journalist of Daily Planet. Clark protects his privacy by working with Miss. Lane as a journalist in disguise.

In this movie, Kryptonians prepared to create their environment on the earth with the help of world engines by situating them on central city Indian Ocean. US army and Superman together wrecks them down using Kryptonian weapons. The plans of Zod was overturned by Superman that outcome with complete extinction of Zod's army. Zod tries to kill Superman but Kal-El breaks the breath of Zod. The oath taken by Jor-El was finally accomplished by Kal-El (his son).

I wish the same superpowers that not only credits name, fame, ability etc but I swear to use it for the benefit of the people.

MY FAVOURITE MOVIE -

Kaviratna Kalidasa

My favourite movie is Kaviratna Kalidasa. Kaviratna Kalidasa is a Kannada language historical drama film based on the life of Kalidasa. The film was written and directed by Renuka Sharma and produced by V.S. Govinda. Dr. Rajkumar played role of Hero and Jaya Pradha played role of Heroine.

In this movie Dr. Rajkumar act as Kalidasa and Jaya Pradha act as Vidhyadha. Kalidasa is a humble shepherd is shown rearing his sheep. The kingdom's chief minister wants his son to marry the king's daughter, princess Vidhyadha. When he expresses his wish to the king he is not agree for the his wish and king orders to the chief minister to search "Sakala Vidya Parasangatha" groom. But to take a revenge the chief minister search the foolish groom and chief minister see the Kalidasa and his foolishness and decide to marry marriage of Vidhyadha and Kalidasa. He trained to a Kalidasa to pass the tests conducted by Vidhyadha. The minister is shrewd enough to teach a key sentence to Kalidasa. If he can't answer a question, Kalidasa replied that "beluvudakku keluvudakku, ide samayavalla". It is favourite dialogue in this movie. Vidhyadha agree with his answers and impressed by his brilliance and so marries him. However the truth comes out during the first night. Vidhyadha was shocked and she locks Kalidasa in the palace of temple and gets him to demand "Vidyabuddhi" from the goddess Kali. When he blessed with knowledge he forget his past life and he was went away from the palace temple. When Vidhyadha regains consciousness and goes in search of her husband.

Kalidasa now a renowned poet, is one of the astadiggajay in the court of King.

Vidyadhare assumes the name Kaladhare, meets at a prostitute Ratnakala's home and catches Kalidasa's attention. Vidyadhare is pleased to see her husband, but Kalidasa is unaware of his former life. Kalidasa composes his best work *Abhigana - Shukuntala* with romantic interest on Vidyadhare.

Bhoja can't bear the fact that his aptamita Kalidasa is in the company of prostitute and Kalidasa walking out of his court. At the same time the Dimdima Kavi who is blessed with a dimdima from the goddess Saraswati. Throu a literary challenge to Bhoja's abhadijjajar, asking them to complete his shloka with the answer. Bhoja recalls his friend, even none can answer the question, Kamale Kamlot-pallich. ~~None~~ None one can answer this question then Bhoja announced that he will donate half of his kingdom who solve this question and Ratnakala gets answer from Kalidasa and ^{she} give poisons to him. She walks into royal court to claim half kingdom. She answers, "Eye lotus is the face lotus of my lady". Dimdima Kavi has a doubt on Ratnakala and he catches her fault and replied that other than Kalidasa no one can answer this question after this Bhoja went to find only the dead body of Kalidasa and at the same time he knows the truth of Vidyadhare. Kalidasa was her husband. Vidyadhare prays to the goddess Kali to donate his half life to Kalidasa. When Kalidasa awakes to life Bhoja hides himself and tricks him to sing "Chasama Geetha" and Kalidasa completed song and prays to the goddess Kali to give life to Bhoja. The goddess blesses both Kalidasa and Bhoja with long lives. The movie ends with Kalidasa reuniting with Vidyadhare.

It was one of my favourite movie. In this movie my favourite songs are Belli Moodithe and Alabyad Kane Sumithin nann muddin nani. Whenever I saw this movie I feel very relaxed and it was best movie in Kannada industry.

MY FAVOURITE MOVIE DANGAL

My favourite movie DANGAL is such types of movie that creates emotions and inspirations among the people. It is the best movie according to my thoughts. Because many dis-abled people are encouraged. Their life become happy. It creates emotions not only the boys but also girls are included. It means it creates such type of thought that girls can do same as boys. It generates such type of thoughts that everything can be done.

It shows that if a person is ready to do something he can do that. But it takes time to do it. He has to face different types of problems hardships and worries. He has to face environment. He has to face many people.

Similarly in this story Amir Khan prepare his daughters to do that like boys can do in this society. He makes struggle to force to do that sort of duties. He faces different people in his society. But he does not lose his spirit. At the end he makes enable his daughter to win the game. It also gives us a lesson to become hardworking.

I also like movies of Amir Khan. The

very interesting. Second reason is that his movies are such type that are easily seen in between the family. Family members can easily enjoy his movies.

It is an admitted fact that hardworking is the key to success. If someone do any activity then he is responsible.

We know that one who seeks finds. So being a human being it is our duty to become a person like that a hardworking.

If it is done then our society can make progress by leaps and bounds. Prosperity is spread everywhere. Such sort of activities can create emotions among the people.

It shows that to make life success everyone should face life presents and should do their duties overnight. It creates thoughts to use hard work to impress those people around us. In this way we can achieve goals that we set for ourselves.

It makes people to work together. Every hard working person creates examples for societies and coming generations.

If we come to know that then it right to say that "work is worship". The reason is that we can make progress by doing hardwork. Many countries have make progress by doing hard working. It is the thing to achieve goals and purposes.

There are many inspirational and motivational movies. But DANGAL is more motivating and inspiring movie. The reason is that if we observe it then we come to know that it is motivation about its all aspects. So I love this movie.

To do something one must to have motivation. Then everything is possible to do.

hearing the stories from our grandparents in our childhood life brings real meaning to our childhood and makes it the BEST."

It is well said that grandparents are the best friends of their grandchildren. They play an important role in their grandchildren's life. They serve as a great link between the past, present and the future. They introduce their grandchildren to the past traditions, get involved with them in the present and help them to shape their future. The childhood of the childrens get value when there is a presence of sweet grandparents who are always ready to offer a cool shade to its family.

The word grandparents is very close to me because I spent many days of my childhood in my grandma's house. I lost my grandfather when I was two years old so for me my grandma is everything. I love her too. Upto eight standard, whenever there was holiday I was going to her home. Don't I remember even a single Sunday I spent with my parents. My grandma have been loving me alot and I too.

Like others I like stories too. My grandma was troubled by me in only one matter

cry. She couldn't able to see my crying face so she was starting to telling a story. One of her stories which I like I explained in this article.

There was a small town where a small family including the son and his mother were living. The name of son is Tukaram. Everyone used to call him Tuka. Tuka was of marriage age. His mother was in search of her daughter-in-law. After many days, she found a bride for his son. Both families came together and decided the date of marriage. On decided date, the great marriage ceremony took place. There was a tradition that the bridegroom should go to live in his in-laws house for five days. But, Tuka never lived before this in anybody's house. He was gluttonish. He could not control hunger. For this reason, he avoided to go to live by saying the reason of some work.

Tuka's wife Shakuntala came back after five days. All were very happy. As Tuka's wife was new bride she needs to go to her parents house for every festival. The brother-in-law of Tuka was coming to call Shakuntala for the festivals and in spite of Tuka, Tuka's mother was going to call Shakuntala to house. On one day, the brother in law of Tuka came to call Tuka and Shakuntala for the Diwali festival. He forced Tuka to come along with

the reason of form work, Shaktuntala went with her brother. After some days, someone needs to go to bring Shaktuntala back, Tuka's mother was sick. She was not in a position to go. Therefore, she called Tuka and said, "I am feeling to weak so you go to bring your wife back". There was no any option to Tuka. He agreed and on the next morning, he worn new dress and became ready to go. Then his mother gave him a lunch box to eat on the way as he needs to go by walk because of unavailability of vehicles. She also told him that while eating, eat less food, otherwise they would think the son-in-law is gluttonish. Tuka kept those words in mind and started his journey. On the way, when he felt hungry ate and again started to walk. He covered much more distance so he again felt hungry but his lunch box was empty. Lastly, he reached his in-laws house. All the family members welcomed him. Everyone was happy because Tuka came first time to their home after marriage. They gave the groundnuts and jaggery to eat. He ate it and sat with his father-in-law. They were discussing many things. He was again feeling hungry. In the evening, he got a cup of tea. He drank it. He was waiting for a dinner time.

At the time of dinner, all sat to eat in line. Tuka remembered the saying

him to eat take some more rice. But, Tulka had not taken. Actually he was feeling to eat more but he didn't have any option. The dinner had completed. Everyone went for sleeping. After two hours, again Tuka was feeling hungry and because of this he was not getting sleep. He wanted to eat something. He went in kitchen. He saw a jar of 'Chivada'. He started to eat Chivada like anything by opening jar. He didn't have patience to eat chew it. Suddenly he felt someone was coming towards kitchen so he kept jar in its place. But his mouth was full of 'Chivada'. He was not able to chew it. Mother-in-law entered into kitchen. She saw Tuka and asked what he need but Tuka was not able to reply anything. Even he couldn't move mouth otherwise he would caught with his theft. Mother-in-law was not understanding anything. She called other family members. They asked him the reasons, but he was not ready to open his mouth. The family members was not understanding what happened to him. They were fearing.

Madhukar, Tuka's younger brother in law who was leaning in seventh standard came front and said "I will make them alright". He had learnt in school that when we press our nose for few minutes, mouth will open automatically. He pressed nose of Tuka then Tuka opened his mouth. His

My Best Experience In Life

BP

Life is like a highway track where speed of life leads to great experiences, incidents and accidents. Man has one life in which he can become either a good person or evil person of a society. "Never stop learning because life never stops teaching." - Anonymous. As the life always become a teacher by teaching new things everyday, everyhour, everyminute and everysecond. The life is full of adventures and mysteries. When we try to experience it, it becomes best experience in life.

As there are many different experiences in life. Man faces a good and bad experience. So also I have experienced many things. I like to just highlight 2 of my life's experience that is unforgettable and always remindable.

(a) Fierce incident

(b) Tour with my dearest school friends.

(a) It was an fierce incident that I had expericed ever. For it had happen when it was my first long night drive. It was a dark night. Me and my cousins totally six people in our own SUV. wanted come to Sankeshwar all the way from Mumbai. Well indeed it was 9:30 pm, we all were drowsy but need to travel and reach our destiny. We started our journey sharp at 9:30 pm in few minutes we were in highway. There was a family-meet at my home. We filled our fuel tank at highway gas station bought some eatables and started our drive. In 6, 5 of us were drivers and we planned to drive 100kms and the driver has to be changed. We saw hilarious

accidents and we all were drowsy. One of cousins said let us sing some songs and jokes. We traveled 300 kms by 12:40 am. It was my turn to drive. We started from Satara (180 kms from Sankeshwar) with speed of 90 km/hr behind Volvo bus. After some 20-30 kms I thought of overtaking him but he didn't give my side by side. He gave a heart arrest by braking his speed. I suddenly stopped the car and saw that the way was full of blood. I thought that Volvo has hit some vehicle. But moving on slowly found that the flesh of man in small pieces was on the road and there was a truck at the side. I was totally scared when I saw that accident. The car had gone under the rear wheels of the truck which was fully crushed. My hands started to shiver but by God's grace we reached home safely. It was the first accident that I have experienced in my first night long drive.

I miss my school friends too much. We had a game as 3³ (Samson, Shashil and Sangharsh). We enjoyed our school days. But after long time of 2 yrs, met my dear friends and was happy. Then we planned to take a tour. It was a tour of 7 days (1 week). The places selected where they wanted was to go to some unknown and new place. We selected Ooty (Tamil Nadu) and Trivandrum or Tiruvananthapuram (Kerala). I was the only person knew the route and language. We started our journey on Sunday evening, on 8th May 2016 at 6 pm. We started by train arrived at Bangalore at 5 pm, 9th May 2016. Then moved by bus to Sultan Bathery and further to Ooty. We reached by 3 pm, had our lunch

in hotel and went up to view the Nilgiri hills. We were amazed by seeing those wonder nature's beauty. We had hot coffee because the temperature had gone down. We saw the garden where the flower shows always takes place. Then we stayed there and 2 days later we started our journey to Kochin. We stayed there a night, morning when the sun rises we could see the sun coming off the sea. We went to Lu-Lu mall which is 1st Largest mall in Kerala and spent there whole day by entertainments, foodies and ended up with shopping and at evening we travelled to Trivandrum to view the beautiful sea shore houses. It was very cool there. We stayed there and were enjoy the days with olden thoughts which were golden for us. This was the last day. It was Sunday, I wanted to attend prayer and told my friends that "I am going to church." They quickly replied and said "We are willing to come with you, can we?" Tears filled my eyes, so I invited them took them to a near by. We finished prayer and when we returned to our room. My friend said "We live in a place where there is noise, tension etc, but you live at the place where there is silence, peace." So I said, "There is another place which is more silent, peaceful and full of joy, that is heaven." He said "I am really blessed by you my dear friend." I cried and hugged him and said "I am very happy to have such a friends like you in my life."

These were the best experience that I have ever experienced in my life. Hope so you have also might experienced greater than me. But have always a intension to give respect to God, parents, teacher, brothers sisters and not the least the loving dear friends. God bless you greatly in your lifes.

Fairs and Festivals are held in every town and village of India. The people living in villages have no entertainment except the fairs.

I went to see a my village fair with my family. There were many men and women and children going to see the fair. They were wearing colourful clothes. They came from the neighboring villages.

I happened to visit the fair at last month. It is held every 5 years in my village. It was attended by thousands of people and from the neighbouring villages. All seemed to be in a holiday mood. There was no end to their gaiety. There was a lot to attract and fascinate me. The villagers were putting on gaudy clothes.

The children were happy beyond description. Good humour prevailed everywhere. There was great bustle and bustle. The raw villagers sang rustic songs. They danced to the beat of drums and made merry. They played on their flutes and sang romantic core songs of Hira and Ranja. There was great stir and excitement. The bazaar was over.

There were jugglers and rope dancers. They amused the villages with their tricks and feats. Merry-go-round were whirling and

It is a fantastic function a lot of people enjoyed this function it was nice in my fair.

-A quack dentist sat with a heap of teeth in front of him. He claimed to extract a tooth without the least pain. Scouts were rendering a great service to the people. There were also pickpocket. They were carrying on their nefarious trade.

The fair was a medley of sounds and sights. Here we came across a Bhangra performance and there you saw a wrestling match or a jugglers show. The beat of drums, shrill notes of pipes and improvised flutes, peals of bells and cat calls of lusty youths and ear straining shouts of vendors, shop keepers and pedlars all combined to produce a strong babel.

In the evening there were races. The horse race provided a lot of fun. There were wrestling bouts and matches prizes were awarded to the winner. At night fair the crowds began to melt and disperse with amply

I have rarely thought about the so-called best experience in my life. Since there are a lot of things that need to be done now and also in the future. To me, it is quite hard to write about this topic and it took me a lot of time recalling what have happened in my life, what the best experience were and what the most memorable one was. Finally, I realised that a best experience is not only a significant eventlike getting a university degree, travelling abroad or having a good job. It can also be small events in life such as the first day going to school, the first time riding bicycle or something like that.

To be frank while realising the best experience it makes me to smile on my face. First i will share my childhood experience when I was second standard first time I have made speech about Independence Day. Still I remembered that middle of the speech I stopped because I didn't remember. That was the best experience. And one more thing I am very interested in Kho kho. I played upto my seventh standard. Our team has selected for district level. In that stage only I learnt to ride scooty. That was also memorable to me. And I started to cook there.

And I don't have any best experience in my highschool life. And in college time. I am very happy to say that first time I made seminar on economic subject. That was most memorable ^{movement} in my life. That seminar increase daing, communication, knowledge everything. I can't forget that day. And after that degree life. The best experience was first time I have made power point presentation on Amazon.com. That time only I came to know that how to do PPT. It gives me lot of knowledge, courage, daing, stage courage, communication and how to behave in front of people and

one more thing that the workshop which was conducted by our college professor. Still I remember every activities of that workshop. That workshop changed my life. Because of that workshop I am ~~ex~~ very confident about myself. I can survive my life anywhere.

I don't know what will be the best experience in my future life.

My Village Carnival.

I am very happy to share my feelings regarding "My Village Carnival". My village name is Sankeshwar. Every year we will celebrate a religious festival so called Carnival of god "Shankarlinga".

Carnival in the sense, fest of god in which each and every people of the village will celebrates it joyfully and happily. The main reason to carry on this carnival is to fulfill the wishes and all kind of needs of rural people. It has been started since many years ago by our grandparents to their grandparents. Therefore, it has been continued by us people.

It is just like gathering occasion. Our carnival will serve us as a meeting place for people living far away from one another. This will be held for nearly 6-7 days. In these days, we often invite our relatives, friends, and special guests. Even in my house also, we will invite all our close relatives and friends. So my house will also be filled by those peoples for those many days. At that time, I will be enjoying lot with my relatives, cousins and friends too.

In my village carnival, people come from various parts, only because to sell their articles. These shops will be arranged in two side of rows from the place of temple so called "Matha". There will also small shops of coconut, banana, etc.

At this time, the shopkeepers will also enjoy their good number of sale and even large amount of profit. There will be various kinds of shops such as, stationery shop, jewellery (Bangle shop), Toy shop, Shoes and Purse shop, kitchen shop, Books shop, wooden article etc. Even there will be eating chat centres, chinese centre, ice cream stalls etc.

I really enjoy these shops and stalls which will fulfill my wants. I buy various necessity article whichever I feel.

I also will enjoy ice cream stalls and chat centres too with my friends.

Next feature of our carnival is my favorite thing in entire carnival i.e. playing ground. Playing ground in the sense it is arrangement of jeks, big wheel, cross wheel / jek, break dor Jora Jora, Train, etc. I will enjoy Break Dorce very much and even other games also like Ring throw, shoot the balloons, ball through etc. I and my friend will enjoy there all and spend much time in playing ground for playing the games. Even, I will take my cousins over there and enjoy all the play by me fun with them.

As I mentioned before, that, Our carnival will be held for near a week. In that one day is "Bhar Jatra" mean on that day people of various part will visit because, that is what important day or main day of Fair. On that

I will enjoy all the 6-7 days of carnival with my family, friends, and cousins etc. At that time, I meet many people, like school friends, Teachers, Sirs, neighbours, PUC friends also. I really love to meet them after a long period of time. I really enjoy that meeting movements and spend time with them there.

Like this, I would like to conclude that, Our Sonkeshwar Carnival will be awesome, fantastic and mind blowing festival of god "Shankarlinga" so called "Matha". As I mentioned all kind of features of my village carnival, that I enjoy it not only in one way but in many ways. car

I love to have it soon next year. i.e I am waiting for the next year carnival. This year atleast, I enjoyed with all fun and funniest movements. It makes me fresh and give lot of enjoyment. It is like something different, by which we follow it with all our means and regards.

Even, I meet my old friends and teachers too. I spend my time with my family, friends, cousins and enjoy a lot with them. To be frank, it gives me more fun, enjoyment in all manner and like this, I

I ENJOY MY VILLAGE CARNIVAL

Thank You

My Village Carnival.

I am very happy to share my feelings regarding "My Village Carnival". My village name is Sankeshwar. Every year we will celebrate a religious festival so called Carnival of god "Shankarlinga".

Carnival in the sense, fest of god in which each and every people of the village will celebrates it joyfully and happily. The main reason to carry on this carnival is to fulfill the wishes and all kind of needs of rural people. It has been started since many years ago by our grandparents to their grandparents. Therefore, it has been continued by us people.

It is just like gathering occasion. Our carnival will serve us as a meeting place for people living far away from one another. This will be held for nearly 6-7 days. In these days, we often invite our relatives, friends, and special guests. Even in my house also, we will invite all our close relatives and friends. So my house will also be filled by those peoples for those many days. At that time, I will be enjoying lot with my relatives, cousins and friends too.

In my village carnival, people come from various parts, only because to sell their articles. These shops will be arranged in two side of rows from the place of temple so called "Matha". There will also small shops of coconut, banana, etc.

At this time, the shopkeepers will also enjoy their good number of sale and even large amount of profit. There will be various kinds of shops such as, stationery shop, jewellery (Bangle shop), Toy shop, Shoes and Purse shop, kitchen shop, Books shop, wooden article etc. Even there will be eating chat centres, chinese centre, ice cream stalls etc.

I really enjoy these shops and stalls which will fulfill my wants. I buy various necessity article whichever I feel.

I also will enjoy ice cream stalls and chat centres too with my friends.

Next feature of our carnival is my favorite thing in entire carnival i.e. playing ground. Playing ground in the sense it is arrangement of jeks, big wheel, cross wheel / jek, break dor Jora Jora, Train, etc. I will enjoy Break Dorce very much and even other games also like Ring throw, shoot the balloons, ball through etc. I and my friend will enjoy there all and spend much time in playing ground for playing the games. Even, I will take my cousins over there and enjoy all the play by me fun with them.

As I mentioned before, that, our carnival will be held for near a week. In that one day is "Bhar Jatra" mean on that day people of various part will visit because, that is what important day or main day of Fair. On that

I will enjoy all the 6-7 days of carnival with my family, friends, and cousins etc. At that time, I meet many people, like school friends, Teachers, Sirs, neighbours, PUC friends also. I really love to meet them after a long period of time. I really enjoy that meeting movements and spend time with them there.

Like this, I would like to conclude that, Our Sonkeshwar Carnival will be awesome, fantastic and mind blowing festival of god "Shankarlinga" so called "Matha". As I mentioned all kind of features of my village carnival, that I enjoy it not only in one way but in many ways. car

I love to have it soon next year. i.e I am waiting for the next year carnival. This year atleast, I enjoyed with all fun and funniest movements. It makes me fresh and give lot of enjoyment. It is like something different, by which we follow it with all our means and regards.

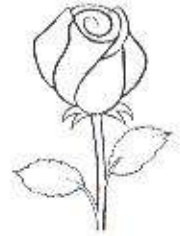

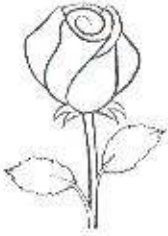

Even, I meet my old friends and teachers too. I spend my time with my family, friends, cousins and enjoy a lot with them. To be frank, it gives me more fun, enjoyment in all manner and like this, I

I ENJOY MY VILLAGE CARNIVAL

Thank You
